

Grosse Pointe Yacht Club

Grosse Pointe Shores Boaters,

As we continue with the renovations in the GPYC Harbor, we are asking that all Grosse Pointe Shores vessels hail the Grosse Pointe Yacht Club on channel 9 when five minutes out of the Harbor. If you don't have a marine radio or it's not working, please call us on 313-640-7000.

It is important that we are aware of you entering the Harbor as the new East Swing bridge will be installed in the next two to three weeks, and the construction could interrupt your ability to access your designated well. We may need to direct you to a temporary well within the GPYC for a short period if passage isn't allowed. Additionally, the fuel dock won't be open until sometime in May for fuel and pump outs.

We thank you in advance for your cooperation as we navigate this process and complete the Harbor renovations. We look forward to the 2022 season in our beautifully renovated Harbor.

Feel free to reach out with any questions.
